

STUDIO252.TV

We're bringing back "must-see TV!"

Every week, a fresh episode of Studio252.tv gives families in your church and community a wacky experience for parents and kids to enjoy together. Segments center on the month's Life App with special guests, crazy challenges and fantastic music.

New episodes broadcast every Sunday at 10 a.m., 1 p.m. and 5 p.m. (EST) on Studio252.tv. Afterward, families can stick around to enjoy all the features on Studio252.tv—from fun activities to stories and additional videos—all centered on the Life App.

Studio252.tv—like everything we do at 252 Basics—is dedicated to helping kids grow in wisdom, faith and friendship.

And because it's easily accessible from any computer, tablet or mobile device, families can check it out on vacation, during a sick day, or while waiting for an older sibling to finally get out of orchestra rehearsal.

If your church uses the 252 Basics curriculum, you'll note the content on Studio252.tv lines up with what kids are learning at your church. It's an incredible tool for parents to reinforce these truths at home.
