July	God made everything.	Psalms 89:11, NCV	Creation • Genesis 1:20-2:3

Toddler rooms are full of constant change. Between snack time, diaper changes, wiping noses, and rocking cry-ers, it's impossible at this stage for "sit down" teaching time. Our Toddler Curriculum integrates teaching the Bottom Line into games and simple activities that can be done while playing with toddlers during their time with you. Our Extended Toddler Curriculum adds a monthly story and weekly craft component.
