**SOUND CUES & WORSHIP LEADER SCRIPT****Super Wonderful**

"Happy summertime. C'mon, everybody, stand to your feet. I love worshiping God with all of you. I have found in life that the songs we sing help me find the words to say to celebrate and give praise for all that God is doing. Today I want to challenge you to go all in with your praise. Give all you are, all your heart to sing, *(Have sound crew start the track.)* clap, jump and praise our super wonderful God! Here we go!" *During the "oh" section encourage them to fly around. Before verse two cue: "Sing it with me." Insert a "C'mon" or "Sing it" as needed. Before the down chorus, cue: "Let me hear you sing loud. Here we go!" At the end, clap/cheer and say: "Oh yeah, that was great! Our God is so wonderful." Then transition to the next song.*

**Only Focus**

"Psalm 16:8 says: *'I keep my eyes always on the Lord. He is at my right hand. So I will always be secure.'* I love that. When we focus on Jesus our heart is secure. Let's get ready to praise Him with everything we've got. Let me hear you say 'I'll keep on looking, looking, looking to you' *(Wait, repeat as needed).* *(Have sound crew start the track.)* Yes! Alright, we are ready. Let's sing together." *Have fun and keep your energy up to set the pace. There's not a lot of space but you can cue a: "C'mon" or "Sing it with me", as needed. Before the bridge cue "Alright, let's do this, get ready." As it repeats cue "Sing it" and "C'mon" You may have to drop out the end of the phrase to insert the cue. Point the mic to the audience. Have fun and engage them. At the end clap/cheer and say "We fix our eyes on You Jesus! Wow, so good." Then transition to next song.*

**Thank You God**

"Just like we appreciate it when people acknowledge the things that we've done for them, God loves it when we stop and tell Him what He means to us. Worship is a place that we can do just that. Lay everything else down for a few minutes and spend this time remembering the ways God has been faithful to you. Choose to respond and *(Have the sound crew start the song.)* say 'thank You' to our amazing God. Everybody sing this." *After the chorus cue: "Everybody sing this with me." Lead as needed with a "C'mon" or "Sing it". At the end, say: "Yeah, God, You're so amazing to us. Thank You so much for being someone we can always count on. You're the best Jesus! Yeah, what an awesome time of worship friends. Great job." Then transition to the next segment.*

**SOUND CUES & WORSHIP LEADER SCRIPT****Know You Better**

"Wow, what a blast. Everybody get on your feet and get ready to sing to Jesus today. Just like prayer, our worship is a way we can talk to God. I love how songs help give us the words we need. This song we're gonna sing has a great confession. It says 'I want to know you better!' Wave your hand at me if you want to know Jesus more! *(Get a reaction. Repeat if needed.)* Yes, I love it! C'mon, let's get loud and sing!" *Have sound crew start the track. After the chorus, say: "Yeah, clap your hands with me, everybody! Singalong." During the "Da da das," insert things like: "Sing it out," "C'mon," or "Let me hear you." Have fun with it and always remember to lead. At the end, clap/cheer and say: "Yeah. That was great." Then transition to next segment.*

**Who You Say I Am**

"Look around at the people close by to you. Do you realize that they are children of God? Don't ever forget that you have been chosen by God. Galatians 5:1 says: '*Christ has set us free to enjoy our freedom. So remain strong in the faith.*' *(Have sound crew start the track.)* Let's worship Him today because we are forgiven and free." *Sing with passion and lead by example. During the choruses you can insert "Sing it out" or "Believe it", "Declare this" as needed before "I'm a child." Before the bridge cue "Lift your voice and believe these words. Sing." Lead as needed. At the end of the song, say: "We are the children of God. We can take God at His Word because His Word is always true." Transition to the next song.*

**Stop & Go**

"Alright, let's have some fun with this one. It's important that we stop when God says to stop and it's important we go when He tell us to go. This is a song about obedience. It's about listening to God's voice and it's a whole lot of fun. Let's get ready. What do you do when you see a red light? *(Get a response.)* Yeah. What do you do when you see a green light? *(Get a response.)* Yeah, we're gonna 'Stop and Go'. Let's sing it together!" *Have sound crew start the track. As the kids catch on you can point to them and point the mic to them to encourage them to get louder and louder on the chorus sections. At the instrumental say: "You guys are doing awesome. Let me see you jump up and down. (Continue jumping till time to sing again.) "Sing it real loud, c'mon!" At the end of the song say: "Yes, that was super fun. Keep on listening to God's voice and being obedient. You guys did amazing." Then transition to next segment.*
