Can't Stop Won't Stop

"We have a new song to sing together with you today. It's called "Can't Stop Won't Stop". As long as I live I want the things I do and say to bring praise to my Creator. Think about what you have to give thanks for today and (*Have sound crew start the track.*) let's get loud and sing this with our everything. Sing with me once you catch on." *Be enthusiastic and keep your energy up to set the pace. There's not a lot of space but you can cue a: "C'mon" or "Sing it out", as needed. Before the bridge cue "Everybody, try this with me." As it repeats cue "Sing it again" and "C'mon" You may have to drop out the end of the phrase to insert the cue. At the end clap/cheer and say "We were made for this. Creation was made to give praise to the Creator. Wow, that was sounding so good friends. I loved hearing you sing about giving God endless praise!" Then transition to next song.*

Who You Say I Am

"We stand here today set free because of the power and love of Jesus. Galatians 5:1 says: '*Christ has set us free to enjoy our freedom. (*Have sound crew start the track.*) Let's worship Him together!" *Sing with passion and lead by example. During the choruses you can insert "Sing it out" or "Believe it", "Declare this" as needed before "I'm a child." Before the bridge cue "You can believe this." Lead as needed. C'mon and sing this with me." *After the chorus cue: "Everybody sing this with me." Lead as needed with a "C'mon" or "Sing it". At the end, say: "Yeah, God, You're so amazing to us. We Believe

"Giving our worship to God sometimes looks like just focusing on Him. Quieting down all the other voices and noises in our life and just allowing God to speak to our heart. Whatever you're facing today, know that God can be trusted. (Have sound crew start the track.) "He is the One I want to put my faith in. Everybody sing this." *After the chorus say: "Make this your prayer." Before the chorus cue: "Lift it up." Lead by example throughout.
